If I was to visit somewhere new, I would go to Florida. Why? Because it is hot and it is time you can go to the beach and get in the water. To play in the sun and be/isan caic and you got to laew. On a tiwur and let the sun chun on you what you are eat and drink like a slus^{soo} if you do not what to laew on a tiwur, you can play game on the beach like ballLabell. Of you what to now this is why because you got to hat the ball to tell other temes and of the cannot hat befor it the out line

Score Point: 1

This response reflects fundamental deficiencies in expository writing skills. The writer selects Florida as a place to visit in direct response to the prompt. Reasons are given for this choice (it is hot, you can go to the beach, and get in the water). However, serious and persistent writing errors cause the response to often be incomprehensible.
